

# RUPES®

## TRIAL KITS - SPECIAL PACKAGES

The new **RUPES D-A TRIAL KITS** include a combination of RUPES products designed for maximum efficiency in every polishing application. All the products included offer incredible performance on BigFoot dual-action random orbital and gear-driven orbital tools but can also work on any brand of dual-action orbital tool. The **SPECIAL D-A TRIAL KITS** includes all the 3 different **D-A TRIAL KITS (D-A COARSE, D-A FINE and D-A ULTRA-FINE)** to ensure maximum flexibility and offer the ideal solution for any polishing application.

The **SPECIAL KITS** are available in 2 different versions, with 180mm polishing pads and 150mm polishing pads. A **BIGFOOT CLAW PAD TOOL** for free is included in each box.

### INCLUDED IN THE KIT

- 1 Liter bottle D-A COARSE compound
- 1 D-A COARSE foam polishing pad
